

Chenelle

Turf-type Tall Fescue

For Professional and Home Lawns

Chenelle

Chenelle Tall Fescue is an exceptionally dark green tall fescue that establishes quickly and demonstrates great tolerance and good winter hardiness. *Chenelle* will perform well in home lawns, parks, sports fields or any application where permanent high quality turf is desired. It performs well in full sun or partial shade.

Seeding Rates:

New Lawn: 8-12 lbs. per 1,000 sq. ft.

Overseeding: 4-6 lbs. per 1000 sq. ft.

Areas of Use: *Chenelle* is recommended for permanent turf in full or partial shade on golf course roughs, out-of-bounds areas, and low maintenance sites. It can be utilized in turf-grass mixtures maintained at a moderate height of cut. Can be used in dry temperate regions in addition to hot and humid regions with excellent results.

- Good heat tolerance
- Disease resistant
- Drought tolerant
- Dark green color
- Good wear tolerance
