

Barbarian

Turf-type Tall Fescue

For Professional and Home Lawns

Barbarian Tall Fescue is an excellent choice for a durable, dark green, fine leaved tall fescue turf. This variety has demonstrated outstanding resilience and disease resistance as well. It has been trialed in both Oregon and Pennsylvania at the McCarthy Research Farms for several years with impressive results.

Seeding Rates:

New Lawn: 8-12 lbs. per 1,000 sq. ft.

Overseeding: 4-6 lbs. per 1000 sq. ft.

Areas of Use: *Barbarian* is recommended for permanent turf in full or partial shade on golf course roughs, out-of-bounds areas, and low maintenance sites. It can be utilized in turf-grass mixtures maintained at a moderate height of cut. Can be used in dry temperate regions in addition to hot and humid regions with excellent results.

- **Fine bladed leaves**
- **Disease resistant**
- **Strong & resilient**
- **Dark green color**
- **Good wear tolerance**
